**#GoodForYou**

Registered Charity number 1138208

We want to make it easier for people to help out at Scouts, without committing to being here every week.

It's up to you what your involvement looks like: we understand that everyone has different skills (and amounts of time) to share.

We'll give you the support and training you need to shine. You'll also have fun, learn career-boosting skills, and bond as a family. Because volunteering at Scouts is a two-way street – good for young people, and good for you too.

**Get in touch to add your name today.**
